

Parks and Recreation Commission  
Town of Fremont

Meeting Minutes  
July 12, 2006

Attendees: Renee King  
Jon Benson  
Jeff Rowell  
Deb Genthner  
Angelo Amengual

Meeting came to order at 7 PM at the Town Hall.

The Commission met with Ms. Jen Jaquith to discuss operation of the Summer Recreation Program. Ms. Jaquith provided copies of the Counselor Manual she provided to Camp Councilors during in-service. A copy will be provided to Heidi to have as a reference source. We discussed job expectations for the counselor positions. In general, the program is off to a good start.

We discussed the Playground. Equipment is ordered with an expected delivery date of July 21, 2006. Possible install dates were discussed...either July 29, 2006 or Late Summer/Fall 2006. Preparation work prior to installation includes: removal of up to 12-inches of sand from the play area to accommodate play surfacing material; removal/relocation of existing play equipment; and drilling holes for posts. A July 29, 2006 install date appears unrealistic unless all this work can be accomplished quickly. We discussed postponing installation. Renee will investigate options this week and contact Commission members to make a decision soon. Concerns include the delivery date and storage of the materials onsite prior to installation.

Banner sales continue: two new banners were purchased and two renewals were made.

Deb reported that the Yoga class is not likely due to a negative response from the Yoga instructor relative to the Town's request for an insurance certificate and naming the Town as an additional insured.
